Sirs:

**DECLARATION IN SUPPORT OF REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 C.F.R. §1.47(a)**

I, Matthew S. Anderson, Affiant herein, hereby state and declare as follows:

1) I am a registered patent attorney, Registration No. 39,093. I am currently handling the prosecution of the subject patent application on behalf of the current Assignee Cingular Wireless II, LLC.

2) I have been granted full Power of Attorney by the Assignee.

3) Further to attempts by previous counsel to reach inventor David James Ryan noted in the Petition Under 37 C.F.R. §1.47(a) filed on November 30, 2000, I sent a letter dated March 9, 2006 by Federal Express to Mr. Ryan enclosing a copy of the entire patent application, namely a complete specification, including claims and drawings, along with a Declaration to be executed by Mr. Ryan, at his last known address at 4096 Piedmont Avenue #353, Oakland, California 94611. A copy of the March 9, 2006 letter to Mr. Ryan is attached. A copy of the FedEx email confirmation of receipt by an H. Patel at the “front desk” of this address is also attached. The FedEx package was returned to me on March 31, 2006, marked “R.T.S. Not such person. Moved” [*sic*].

4) To date, Mr. Ryan has not provided the signed Declaration.

5) On information and belief, at the time Mr. Ryan listed his address as 4096 Piedmont Avenue #353, Oakland, California 94611, this address was a “Mail Boxes Etc.” mail drop. On information and belief, this address is currently UPS Store #3270, including mailbox services. I believe that the H. Patel that signed for receipt of the FedEx package above is a UPS Store employee. I emailed UPS Store #3270 to attempt to locate Mr. Ryan or a forwarding address, copy attached, and received no response.

6) On information and belief, at the time the subject application was prepared and filed, Mr. Ryan was an employee of AT&T Wireless Services (AWS), the original assignee of this application. AWS later was purchased by Cingular Wireless, and became Cingular Wireless II, LLC. On information and belief, Mr. Ryan has never been an employee of Cingular Wireless II, LLC, and Cingular Wireless II, LLC., has no further information available for contacting Mr. Ryan. Further, on information and belief, Cingular Wireless II, LLC is unable to provide any current contact information on the coinventors of this application.

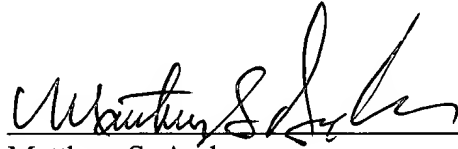

7) On information and belief, Mr. Ryan's address prior to the California address was 543 N. 71st Street, Seattle, Washington 98103. I researched the property records of this address. On information and belief, this address was a rental property at the time Mr. Ryan used it as his address. I attempted to locate and contact the person that owned the property at the time of Mr. Ryan's residence to request a forwarding address, and was unable to do so.

8) I performed a GOOGLE phonebook search of the states of California and Washington. I placed telephone calls to every phone number listed for a David J. Ryan or David James Ryan in the states of California and Washington. Those parties that answered the phone indicated that they were not the correct David Ryan. If there was no answer, whenever possible I left a message including a toll-free return telephone number, asking for a return telephone call if the recipient was a former employee of AT&T Wireless Services. I received no return telephone calls, and was unable to locate or contact Mr. Ryan by telephone.

8) I performed GOOGLE searches on various permutations of Mr. Ryan's name and such search terms as "wireless", "cellular", "OFDM", "AT&T", and others in an attempt to locate some indication of Mr. Ryan's current residence or employment. I was unsuccessful in locating Mr. Ryan.

9) I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are also believed to be true. I am aware that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. §1001) and may jeopardize the validity of the application or any patent issuing thereon.

I'm trying to track down an inventor on a patent application, that in June 2000 listed his address as
David James Ryan
4096 Piedmont Avenue, #353
Oakland, California 94611

Mr. Ryan doesn't by any chance still have that box, does he? Did he leave a forwarding address? Any help you can give would be appreciated.

Thanks.
